

Lecture 4. Molecular Mechanics

- Download course materials
<https://mulan.swmed.edu/lecture4.tar.gz>

To unpack the tar.gz ball, run the following command:

`tar xvfz lecture4.tar.gz`

A new directory, lecture4 will be created

- Read the book chapter of “Molecular Modelling: Principles and Applications (2nd Edition)” entitled “Empirical force field model: molecular mechanics” in lecture4/reading
